Licensed Hard Surface Professional

Who is this course designed for?

This course is focused on turning you into a hard surface professional. So whether you are a hard surface professional looking to improve your business, a carpet cleaner or commercial cleaner looking to add hard surface services to your business, or looking to start a new business as a hard floor professional... do not miss this...

An Introduction to the Trainer

David Blamire... has been in the hard surface industry since the day he was born. His father even dropped in to supervise a job on the way to his birth!! David is currently Managing Director of Total Supply Solutions (QLD Pro Glo Distributor) and sits on the board of the Australian Institute of Tile and Stone, and more. Known as the young gun in the industry, he is passionate about hard surfaces, training and business and has a knowledge far beyond his years. You will only benefit from spending the 2 days with him.
